CAT RV CLUB NEWS GOES QUARTERLY!

by Julie Lauderdale, President

In an effort to provide all members with the same news whether they elect to receive the electronic version or by mail, the Club Newsletter will, starting with this issue, be published quarterly. We've also changed the format so that the Newsletter is in the form of a downloadable pdf file that can be viewed with the Adobe viewer.

Feature stories in this issue include FMCA news from Madison, Board Members & Positions Update, Registration for Kerrville Rally, Renew Your Membership and New Fillable PDF forms. Tech Tidbits are to continue to be in each issue. Also, you still have a choice between using print and mail forms or renewing your membership online using PayPal.

To download the Newsletter, just click on the picture to the right.

If you do not have an Adobe viewer click here:

Index:

- [September Newsletter](#)

by Ken Carpenter, SVP, VP Membership & Webmaster

All CAT RV Club memberships renew on November 1 of each year following a "Class-year" model rather than a calendar year or anniversary of payment model. So that you can determine if it is time to renew your membership we have included a copy of your current Membership Card below. If the renewal date is November 1, 2011 or earlier, it is time to renew your membership.

You can renew using one of two different ways:

1. Download, fill in the blanks - as appropriate - print and mail along with your check; or,
2. Use the following link to the CAT RV Club shopping cart to renew online using PayPal.
<http://catrvclub.dynamic-storefront.com/Merchant/?p1=146290>

When you renew your annual dues will vary depending on your choice of an electronic newsletter (\$15 / yr) or printed newsletter sent to your mailing address of record (\$25 / yr). Your 2011 membership card appears below showing your current membership renewal date:

Caterpillar starts its annual budgeting process during October of each year. We are confident they will renew the 10% discount program for genuine Caterpillar parts purchased for your RV for the coming year but we will not have their decision for a few weeks. Membership cards for the 2012 year will be issued once the decision is announced.

DO YOU NEED TO CHANGE YOUR CONTACT INFORMATION??

[address1], [city], [state] [zip]
[email]

Your contact information appears above as is recorded on Club membership records. If you have changed your mailing address, email address, or cell phone, please do not forget to tell us

about it. Let us know by sending an email to membership@catrvclub.org. Please include your FMCA number. Also, we can not share this information with FMCA, so let them know as well: <http://www.fmca.com>. In addition, any email address changes need to be submitted to iContact using the Manage Your Subscription link at the bottom of this page.

The CAT RV Club membership card has always had a line for you to write in your Vehicle Identification Number making it convenient for you to reference this number when registering for service. Now that the Club is preparing the Membership Card, it will be easy for us to print the VIN number if you want us to do so. All we need is your VIN number. This is also a good time to verify that we have your Engine Number properly recorded. Your Engine Serial Number and VIN appear above if we have them on file. If not, you can submit them using the following link: [Engine Serial Number/VIN](#).
